RE: **Letter of Intent**
Job #: US/GLA/614418

Dear Nicole Barham,

This letter serves as written evidence that **IDEXX B.V.** has entered into a contract with SGS for certification for the receipt, service, warehousing and distribution of diagnostic products for veterinary, food and water applications. The contract between SGS and **IDEXX B.V.** was signed on date **April 5, 2024**.

We confirm that the company is now in our Certification Process. The certification audits for ANAB: ISO 9001:2015 have confirmed **June 17-21, 2024 with Mohanlall Chatarpal**.

Upon successful completion and recommendation of the SGS audit, the auditors will prepare a written report with the details of the audit. The final audit package will then be reviewed and approved by our Technical Reviewer division. Following this approval, your certificates will be issued, tentatively anticipated for early-July 2024.

This letter of intent can be shared with your clients, should they require documentation of the confirmed audits regarding the necessary certifications.

On behalf of SGS, we would like to thank you for your business and continued partnership. Please do not hesitate to contact me if you require any additional information regarding your planned audit.

Sincerely,

Lindsay Powell
